

From the Editor

Greetings to my fellow educators, administrators, parents, and advocates for Early Childhood Education. Thank you for your interest in publishing in the LAECA journal, *Collaborations*. In every issue of the journal, you will find thought provoking articles as well as practical tips for the early childhood practitioner, parent,

administrator, or advocate. We are always on the lookout for new authors with exciting submissions. Please read up on the manuscript guidelines and our upcoming topics to see if there is something you would like to submit. Please bear in mind that we accept all sorts of articles from book reviews to views from the field and research articles. All articles should be formatted in the APA style and sent to our review board for a blind review before they will be accepted.

I am so excited to see what you bring to our journal. Sharing your expertise with your fellow early childhood professionals and enthusiasts is greatly appreciated. Please email me at jordan@nsula.edu with any questions you may have.

Wishing you all the best,

Dr. Katrina Woolsey Jordan
