

Jim Valley

2023 Musical Keynote

Jim Valley, a Parent's Choice award winner, is a musician, composer, entertainer, and world-renowned performing artist. In his thirty-year career, he has created numerous albums, books, a musical play, and a DVD. He has been touted by educators as an International Troubadour -- bringing the magic of music and motion to children everywhere -- including [twenty countries](#) on five continents. Rainbow Planet Children's Music Workshops take kids and teachers on a cooperative adventure of creative expression....in which group singing, movement, creative writing and art are explored through themes of Friendship, Self Esteem, Diversity, Ecology and Imagination! Jim's music inspires creativity, interaction, and imagination lifetime learning tools -- that strengthen friendships and encourage stewardship of Planet Earth.

Step on in to learn more about the magic of Jim Valley and Rainbow Planet! [Check out Jim's videos!](#)
